#### Many thanks to all our Knitters

Thanks to all the knitters who have sent in Cannula Mitts and Bonding Squares for the hospitals. We now have a new pattern for premature baby hats (below).

I can still collect any mitts and squares if you have them ready as I have parcels ready to go. Please let me know on 07850 113449 and we can make mutually convenient arrangements.

Happy knitting Lesley

**Ribbed Baby Hat for Premature Babies** 

4 ply yarn, 3.75mm (size 10) needles.

(1x50g ball will make about 4 hats)

Cast on 68 stitches, work in K2, P2 rib for 48 rows.

Shape crown, (K2 together, K2) to end of row.

Next and alternate rows, purl.

(K2 together, K1) to end of row.

(K2 together) to end of row.

Break off leaving about 14 inches of yarn to sew up hat. Thread yarn through stitches on needle and stitch up seam of hat. Do not press as this will flatten the ribbing and make it less easy for the hat to 'mould' to the babies' head and stay on.

#### **News from the Groups**

#### It's time to think about music, so ...

... join us, and make room in your day for some varied music styles for a couple of hours. There's a bit of music in all of us.

We all meet twice a month (2<sup>nd</sup> and 4<sup>th</sup> Thursday morning) in Two Mile Ash.

Some of us will take it in turns to create a playlist, some of us just want to come along, chill out and listen to other's choice of music – or maybe just meet new people!

So whether you are a jazz lover, an opera or classical buff or whether you just enjoy relaxing to different styles of music, we'd love to know you.

New folks are joining us each month, but we still have enough room for more.

Give us a call or email us and we can tell you all about our group. Contact: Sally Saunders 07948 366778 or email us at: <a href="mailto:musicapprec@mku3a.org">musicapprec@mku3a.org</a>

#### **Choir dates for your diary**

Just to let you know what our U3A choir is getting up to in June.

On June 9th we will be singing at the United Reform Church in Newport Pagnell as part of the celebrations for this year's Vintage Weekend, in part, celebrating the end of WW1.

The programme will include a selection of music written in the 40s by Rogers and Hammerstein and many, well known "sing along" songs from that era and will start (for us, though there are lots of events happening around Newport Pagnell) at about 12.30.

On 24<sup>th</sup> June we have our summer concert which this year incorporates afternoon tea. It will also be held at the United Reform Church and will start at 2.30. Tickets will be available from May and more information will follow on how to obtain them.

All profits will be given to the URC for their refurbishment budget. Please come along and join us if you can for a cream scone tea. We look forward to seeing you there.

## MK Community Fridge inspires new fridge locations

The Old Bath House, Wolverton, welcomed the Community Fridge Network to host their national gathering last week, welcoming 21 organisations from across the country to meet and discover the benefits of community fridges.

It demonstrated the city's very own community fridge in action as an example of the movement's success. The aim is to recycle food that would normally go to waste, and the fridge is open to anyone. The food is free, but people can give donations if they want to.

Organised by Hubbub Charity UK and hosted by MK Community Fridge, the group were treated to a lunchtime feast prepared by Oke of the Afro-Caribbean Lunch Club and the young people at Think Food, who rose to the challenge and created a delicious multi-course feast from food that would have otherwise been put in the bin.

During the event, the seed was planted for more than one new community fridge location to be set up by individual groups under the banner of MK Community Fridge in Milton Keynes this year.

MK Community Fridge has already shared more than seven tons of unwanted quality food and the benefits are being felt across the city.

New developments in supermarket operations will allow MK Community Fridge to evolve its opening hours from now on.

The doors to the foyer of The Old Bath House will be open for visitors to share unwanted food every weekday morning between 10-12.30pm and weekday evenings (staffed) 7-8pm.

#### **Opening hours:**

10-12.30pm Mon-Friday (unstaffed)

12.30-2pm Thursday – Pop-up café in The Main Hall

7-8pm Mon-Friday (staffed)

The Community Fridge Café pop-ups every Thursday at 12.30pm in the Main Hall of The Old Bath House and their team serves drinks, treats and sometimes a simple hot lunch from surplus food from the fridge. There is no charge and everyone is welcome.

Local artist Chrissie Williamson will be working in collaboration with the Café to share her craft skills on Thursday 29 March and you can see Anthony Youngs' exhibition On the Shoulders of Giants in the hallway of the community centre.

#### **ROTARY CLUBS OF MILTON KEYNES**

#### **LEND-A-HAND DAY 2018**

On Saturday 12th May 2018, The Rotarians of Milton Keynes will help you in your home with tasks that require assistance because no one in your household can safely do so.

This day is part of our community service, so is free to those we help.

**How it works** - If you have a job that needs doing, return the completed registration form. We will check that we can do your job.

Age UK Milton Keynes may telephone you to check the details a few days before 12th May. We will usually work in teams of at least two people. We will supply the labour and the tools for the job. **We do not supply any materials.** 

Because we want to help as many people as we can on the day we can only do the work that you have requested on the form and the **maximum time allowed is usually one hour**. We cannot work in your home if anyone is smoking during our visit.

**Please see below** the sort of jobs we may be able to undertake.

#### THIS IS WHAT WE CAN DO.....

#### Tasks might include

Cleaning difficult to clean areas - Simple DIY jobs - Spring cleaning cupboards - Minor repairs - Moving furniture - Changing light bulbs - Dusting lampshades - Cleaning inside windows - Writing letters - Running errands - Local shopping trips - Small gardening jobs - Or just listening ....

#### **Lend-a-Hand Day Examples**

It's really helpful if you can be as precise as possible about the jobs you want doing. Here are some examples of jobs we've been asked to do that were very clear:

- Mrs PB: "Please can you clean windows, inside and out. It's a bungalow only two windows."
- Miss KW: "Change two light bulbs (one has become very stuck). Could you also take a small load of rubbish to the tip (small TV, washing roundabout folded, old mixer/blender, vegetable rack)?"
- Mrs JC: "Clean (wash or dust) light shades. Dismantle metal bird table."
- Mr MC: "Trim hedges in front and back garden please (only top of hedge needs to be cut)."

- Mrs JB: "Spring clean cupboard under the sink. Clean table-top cooker oven. I have cleaning materials."
- Mrs BC: "Put up plain white tiles behind door in bathroom."
- Miss BC: "Painting the fence that the Council replaced. I have a 5 litre tin of Fence Life."
- Mrs PH: "Tidy flower pots in garden and remove unwanted goods from shed to take to rubbish dump."
- Mrs JP: "Turn and reverse mattress (single). Hoover carpet under bed. Clean inside windows. Dust lampshades."
- Mr PP: "Digging a garden plot ready for planting runner beans (2 areas each 14 ft by 3 ft). One hour of digging would be a great help. I can finish off."
- Mr EL: "Small area of grass to be cut (needs mower and strimmer)."

And here are some examples of requests we've received that are so vague that we can't judge how long they're going to take or what equipment we may need:

- Mr AF: "Simple DIY jobs."
- Mrs PR: "Cut back trees please."
- Mr AR: "Clean windows."
- Mrs LO: "Tidying garden. Hedge trimming."
